Individuals & Pairs Competitions

! ——— IMPORTANT NOTICE

- As notified to **ALL TEAMS** at the Annual General Meeting, many players are causing a number of scheduling problems in the individuals and pairs competitions and this is to the detriment of the league, our venues and our players.
- Continued re-arrangements, in most cases without even bothering to tell the committee make it difficult to know who is in each draw and who will actually walk into a venue to play a game.
- Additionally, a number of players don't even submit their results when they win.
- You the players tell us you are fed up with it. We the committee are fed up with it.
- The time for leniency post-COVID is over and the competitions will be run as per the following existing current regulations. If players cannot commit to playing matches when they should be played, **please don't enter**.
- **REMINDER**
 - **Regulation 6a** - Players from other leagues CANNOT enter this league's INDIVIDUALS or PAIRS competitions.
 - **Regulation 6d** - Re-arrangements are not allowed unless specifically requested and agreed with the committee **prior to the match**.
 - **Regulation 6e** - All Individuals and Pairs matches **MUST be played by the date of the next round draw. Matches not played will result in both sides being removed from the competition**. Exceptional circumstances can be used to allow progression as long as the committee have been so informed prior to the draw and have agreed with the reason supplied.

PRESTON & DISTRICT POOL LEAGUE

League Format

- Sadly we lost one team (Ribble Miscues) but welcome **Red Rose Bowling** to the league.
- This means we continue with equal sized divisions and 3 divisions of 12 teams each. As ever, there is always the chance that teams get promoted when not expected and this is normal.

Match Cards

- PLEASE submit match cards as soon as possible to allow faster updates of the website.
- Cards submitted that have names that cannot be read will not have player results updated.
- **PLEASE PRINT** the **FULL** player name and then sign.
- The team result will apply but no player result will be processed.
